# Headmaster's Letter

OFFICE OF THE HEADMASTER

SAINT MARK'S SCHOOL  
558 STREET  
SALT LAKE CITY 3, UTAH

Dear Seniors,

Spiritual and physical well-being, happiness, success, health — all that mankind seeks — have their roots deep in intelligence coupled with hard work. We streak knowingly of our heritage and our rights. Too frequently we emphasize the right to more and more comforts and more and more leisure while doing this we tend to overlook a very important element of our heritage — hard work. Hard work is just as important in our lives today as it was in the lives of those who developed our heritage. Let us grant to hard work the same esteem we render to leisure.

In choosing a life work, the ideal of worthwhile service, rather than the imagined of sure of idleness, should predominate. Joy in living depends on the real value and importance of your work and your honest desire to serve your fellow men.

Sincerely yours,  
Robert L. Bolbach  
Headmaster

Dear Students, Faculty, and Friends of Saint Mark's:  
A second mile-post! How the years roll by, as we begin  
to establish our own traditions and accomplishments. The Marker  
is, or course, a pictorial record of the life of the school each  
year. To all of us, it will have even greater meaning as the years  
go by. We take hope from the fact that the present student body is  
setting the goals and the records for students down the years to try  
to equal.  
Congratulations to you all!

Sincerely,

+ *Richard S. Watson*
